NOTES: Target times in red indicate a calculated time ie no data

Time set by 4wd Car - Target calculated back by dividing by 0.95

Blue = New or revised for 2018

Nationally Adjusted Target Times

Tyre corrected time 2016

v2 26/7/18 Blyton 1A corrected due to error

The base data - The actual record times, date set, driver name and vehicle are listed on the base data pages

Curborough times (1 and 2 lap) are age corrected as applicable - a small amount of time added for each year (over 5 years) if the target has

National venues are 'adjusted' (making them slightly easier) if the records set are faster than a calculated NSCC time

In 2016 the target times for classes 1A, 1B, 1C, 2A, 2B & 2E were adjusted (made slightly easier) to allow for the new MSA tyre list change
